

CURRICULUM VITAE

Ron Kiberenge Muriithi

Phone: +254 769 124 835

Email: ronkibe254@gmail.com

Location: Thika, Kenya

Professional Summary

Enthusiastic Networking Technician with less than a year of hands-on experience in designing and managing network infrastructures. Skilled in routing and switching with a strong grasp of advanced topologies. Adept at configuring routers and switches to optimize network performance. Seeking to advance into a Network Engineer role to contribute to innovative network solutions and enhance organizational efficiency.

Education

Bachelor of Technology in Building and Civil Engineering

Murang'a University, Murang'a, Kenya

September 2020 – December 2025 (Expected)

Professional Experience

Networking Student, Instructor and Technician.

Jomo Kenyatta University of Agriculture and Technology , Kenya

May 2024 - Up to Date

- Assisted in the design and implementation of network infrastructures, including routing and switching configurations.
- Supported network troubleshooting and maintenance to ensure high performance and reliability.
- Collaborated with senior network engineers to optimize network topologies and resolve complex connectivity issues.

Skills

- Routing and Switching
- Network Configuration
- Advanced Topologies
- Network Troubleshooting

Certifications

- Cisco CCNA 1 & 2: Completed
- Cisco CCNA 3: completed

- Huawei Certified Network Associate: completed
- Huawei Certified Network Professional: In Progress

Projects and Achievements

- **Network Configuration and Cabling:** Successfully configured routers and switches and managed cabling of network topologies. This hands-on experience has enhanced proficiency in network setup and troubleshooting, and developed practical skills in managing complex network environments.

Professional Affiliations

- **Charles Njenga**, Instructor and Technician at JKUAT Enterprise: Mentor and skill development in networking.
- **Dr. Anthony Ndungu**-lecturer at University of Nairobi
- **Jonathan Mwai** – network engineer at JKUAT and instructor of both HCIA AND CISCO courses in JKUAT

Languages

- **English:** Very Proficient
- **Kiswahili:** Proficient

Volunteer Work

- Associate Degree in Theological Studies
Full Bright Theological Seminary, Kenya
